

Camp Royal 2010 Reservation Form

For 2010 the Camp Royal fee will remain at \$725 per camper. If your club does not sponsor a camper after paying the \$725 reservation fee, and another club sponsors a camper to fill the space, we will “broker” the transaction and request payment be made by one Club directly to the other. Note that none of the \$725 is refundable if your sponsored camper fails to attend the camp or leaves early, for any reason.

Please print this page, complete the information required on the blank lines, and mail it along with your check payable to “Camp Royal Committee”: (Cut out the address block and tape it to an envelope!)

Camp Royal Committee
c/o Steven S. Shagrin
1141 Roxie Ln.
Walnut Creek, CA 94597-1806

Your check must accompany your reservations.

Camp Royal dates are Sunday, June 13 through Saturday, June 19, 2010.

The firm deadline for these reservations is December 31, 2009. After that date we cannot guarantee your desired reservations. In 2008 we filled up early and had to deny the tardy reservations, so please plan on doing it now. There are 68 clubs in the district and each club that submits a registration form and payment **postmarked no later than December 31, 2009**, will be guaranteed 2 campers but may request up to 4. No Club may reserve more than 4 spots. Clubs submitting reservation requests for more than 2 campers will be notified by January 31, 2010, of how many camper spots are granted. Reservation deposits that exceed the number of campers that may be sponsored by a club will be refunded in full. The total number of campers cannot exceed 150, which is the limitations of the transportation. Further, we hire counselors based on reservations, so you must specify camper gender.
