

Camp Royal 2012 Reservation Form

Due to increased food and transportation costs, for 2012 the Camp Royal fee will be **\$795 per camper**. If your club does not sponsor a camper after paying the \$795 reservation fee, and another club sponsors a camper to fill the space, we will “broker” the transaction and request payment be made by one Club directly to the other. **Note that none of the \$795 is refundable by the Camp Royal Committee or District 5160 if your sponsored camper fails to attend the camp or leaves early, for any reason, though you may have recourse from the parent/guardian under the Camper Agreement*.**

Please print this page, complete the information required on the blank lines, and mail it along with your check payable to “Camp Royal Committee”: (Cut out the address block and tape it to an envelope!)

Your check must accompany your reservations.

Camp Royal dates are Sunday, June 17 through Saturday, June 23, 2012.

The firm deadline for these reservations is December 31, 2011. After that date we cannot guarantee your desired reservations. In the past we have filled up early and had to deny the tardy reservations, so please plan on doing it now. There are 70 clubs in the District and each club that submits a registration form and payment **postmarked no later than December 31, 2011**, will be guaranteed 2 campers but may request up to 4. No Club may reserve more than 4 spots. Clubs submitting reservation requests for more than 2 campers will be notified by January 31, 2011, of how many camper spots are granted. Reservation deposits that exceed the number of campers that may be sponsored by a club will be refunded in full. The total number of campers cannot exceed 145, which is the limitations of the transportation. Further, we hire counselors based on reservations, so you **must specify camper gender**, though it is not “firm” until June 1st when we must stop accepting substitutions. **Please see the Camp Royal website page “Information for Club Chairs” for the Camp Royal Refund Policy.**
